

# **Business Opportunities with the Bureau of Land Management And The U.S. Department of the Interior**

---

The Bureau of Land Management (BLM) and Department of the Interior (DOI) are now acquiring goods and services electronically using the Internet. All BLM solicitations and awards for goods and services will be posted on the Department of Interior website at <http://ideasec.nbc.gov/>. You may also view the forecast of BLM annual requirements (Advanced Procurement Plan) at <http://www.blm.gov/natacq>. When you access the DOI web site, you can:

1. Review all requirements posted by DOI Bureaus and Offices;
2. Search for Request for Quotations (RFQ) and Solicitations;
3. Read the RFQs and Solicitations;
4. Submit Quotes before the posted closing dates; and
5. Receive electronic awards and notices.

There is no cost to you for this service. Competing for business with the Federal Government electronically is painless and simple. To take advantage of future business opportunities, you must:

1. Obtain a valid Dun & Bradstreet Number (D&B) from Dun & Bradstreet through the Internet (<http://www.dnb.com>) or by calling them at 1-800-333-0505.
2. Register your firm on the Central Contractor Registration System (CCR) @ <http://www.ccr.gov>

By registering on the Central Contractor Registration System, you will have access to, and increase the number of business opportunities for your firm throughout the Federal Government. You no longer need to submit separate bidders applications to each government office. Government agencies will notify you when they have a requirement that meets your capabilities. Requirements that are valued over \$25,000 are also published on the government website @ <http://www2.eps.gov>

For best results using these websites, you should download and install Microsoft Internet Explorer Version 4.0 (or higher), or Netscape Version 4.0 (or higher).

Public Rooms with access to a personal computer are available at many BLM or DOI offices. Your local Small Business Administration should also be able to help you and provide access to a personal computer if you do not have one. Please contact the following BLM offices if you have questions or need assistance:
